

Trust For Life Update

Volume 13, Issue 2 ~ March - April, 2011

Published six times per year for KY Circuit Court Clerks, Deputies and Friends of Organ and Tissue Donation

Happy Spring!

As we enter into **Donate Life Month** this April, we are reminded of the vital, collaborative effort between the non-profit organizations, hospitals, and volunteers involved in this life-saving mission. These cooperative efforts led to hundreds of successful transplants in 2010. We welcome everyone to the Capitol Steps on April 13 to thank Kentucky for continuing to support the mission of organ, eye, and tissue donation. However, our work is far from complete. Over 110,000 people nationally, and almost 700 Kentuckians, are still waiting for life-saving organ transplants. We remember that education is necessary to overcome the myths and misconceptions still lingering in our communities.

The Circuit Court Clerks and drivers' license staff ask Kentuckians to add their name to the Kentucky Organ Donor Registry and to donate \$1 to raise awareness about organ donation every day. As spring and summer roll in, several Circuit Court Clerks amplify efforts through grassroots initiatives. Donna Pelfrey, Morgan Co. Circuit Court Clerk, has a table each year at their Farm Home Family Night to promote organ & tissue donation. Larry Bell, LaRue Co. Circuit Court Clerk, has a Registry Booth each spring and hands out popcorn to his community. Kathy Kearns, Harrison Co. Circuit Court Clerk, spends all day at a health fair to encourage everyone in her community to join the Kentucky Organ Donor Registry, just to name a few. Kathy will display a new banner featuring a kidney recipient in her county, 20 year old Corey (photo below).

Educating Kentuckians can be as simple as answering a question or relieving a single concern. We applaud all efforts to raise awareness about this crucial need. We encourage everyone to promote organ donation in their county through fairs, parades, civic clubs, church and high school talks. When I spoke with Corey's mother, she said she is so grateful for organizations that raise awareness about this crucial need. I told her that we fight for her son, and patients like him, every day. Our work is not done until we end the wait.

Thanks for all you do,

Shelley

~ Donate Life Month Activities ~

★ SAVE THE DATE to Celebrate! ★

Please join the Kentucky Circuit Court Clerks' Trust For Life at the Capitol to celebrate **Donate Life Month!**

When: April 13, 2011 at 10:00am

Where: Capitol Front Steps in Frankfort, KY

April Drivers' License Office Contest: Popcorn Offered as "Thank You"

It's contest time! In recognition of April as Donate Life Month, the Trust For Life will sponsor a contest for the state's driver's license offices to thank them for collecting the \$1.00 donations in support of organ and tissue donation awareness.

This year, as in the past nine years, every office that collects donations from 50% or more of the drivers renewing their licenses, in the month of April, will receive a 6 1/2 gallon tin of gourmet popcorn. Popcorn will also be awarded to any county office that records more than a 10% increase from March to April. **Good luck to all of our offices - and thank you for your support!**

Owen County's Satterwhite Memorial Golf Shamble Set for April 2nd

The Twelfth Annual Charlie Satterwhite Memorial Golf Shamble will be held at the Fairway Golf Course in Wheatley on Saturday, April 2nd.

See pages 5-6 in this Update for details and registration.

Clerks' Offices Complete Training Module

The KY Circuit Court Clerks' Trust For Life provided the first-ever computerized Organ Donor Program Training for Circuit Clerks and their staff, thanks to a generous grant from Kentucky Organ Donor Affiliates (KODA).

The purpose of the training module is to educate the Circuit Court Clerks and their staff on the Kentucky Organ Donor Registry including revised laws and best practices.

There were several people involved in the creation of this innovative module. A dedicated committee formulated the training content: H. I. Stroth, Kosair Charities; Becky Kaelin, Jefferson Co. Chief Deputy of Driver's License; Jenny Miller Jones, KODA; and Trust For Life staff members Patti Sharp, Kathy Padgett, and Shelley Heavrin. Pilot counties, **Boyd, Jefferson, and Muhlenberg**, gave valuable feedback on the training content and functionality. The Administrative Office of the Courts (AOC) provided technical assistance, and module designers Jeanne and Dennis DeValeria, Idea League LLC, produced the finished product.

Jessamine County

To date, over 1,000 clerks, from 110 offices, have successfully completed the training, emphasizing the two important questions the clerks ask every customer, every time. The module will remain available to all Clerks' offices for review at any time and for all future new employees.

Pictured left: Jessamine County Circuit Court Clerk Doug Fain's office was the first county to complete the training module.

Jefferson County

Working together to save lives! After completing the training, each office received a "thank you" package, complete with completion certificate, letters of appreciation from donor families and recipients, and blue t-shirts to promote the program to the public.

Two simple questions may save a life

“Would you like to **add your name** to the KY Organ Donor Registry?”

“Would you like to **donate one dollar** to the KY Organ Donor Program?”

Ask EVERY CUSTOMER - EVERY TIME!

See more photos at
www.facebook.com/TrustForLife

Several KY Clerks know first hand the importance of asking the two important questions.

Danny Ross (husband of Sandra Ross - Deputy Clerk, Jefferson County):

“I never understood what an essential role KY Clerks play in helping people who need life-saving transplants until I became one of those people in need,” said Danny. It is his wife Sandra’s responsibility to ask those two important questions in her role as deputy clerk at Jefferson County’s drivers’ license office.

“It seems like a simple thing to ask customers if they want to add their name to the Registry and donate a dollar to raise awareness. But with everything else the clerks have to do, it’s easy to overlook these questions. I am living proof of how important these questions are, and I personally thank everyone for participating in this training.”

Heart recipient, Danny Ross with family

Elizabeth’s Aunt Sharon and mother, “Karen”.

Elizabeth Brooks - Deputy Clerk, Daviess County:

“In February of 2001, my Aunt Sharon became sick with what we thought was the flu. It turned out to be liver failure,” said Elizabeth.

She saw many doctors, all with the same response - there was nothing they could do for her. One local doctor refused to give up hope and referred her to UK Hospital in Lexington. The doctors there decided that, if she stayed strong enough, she could be placed on the waiting list to receive a liver transplant.

At 1:30 A.M., one August morning in 2002, my Aunt received the life-saving phone call. She was to go to Lexington right away to receive a liver transplant. The surgery was a success and my Aunt had a second chance at life. My entire family was so grateful for my Aunt's gift of life. We decided then and there to add our names to the Kentucky Organ Donor Registry.

On December 19, 2010, my mother had a massive heart attack. We were told that she had no brain activity. There was nothing they could do for her. We knew instantly that she wanted to be a donor. Her generosity provided sight to someone who could not see and tissue to others in need.

I am a family member both a donor and recipient. But what makes my story especially unique is the recipient, my Aunt, is the identical twin sister of a donor, my Mother.”

KY's 120 Gift of Life Stories

Heroes come in many forms. They walk among us every day. They may be your co-worker, your neighbor, or maybe even YOU. Every person touched by donation and transplantation has a story to tell...a story of hope, of love, and of the *gift of life*.

The KY Circuit Court Clerks' Trust For Life has created an exciting state-wide project to bring awareness to the great need for organ donation and the miracles of transplantation called "KY's 120 Gift of Life Stories". This collection of personal testimonials from Kentuckians whose lives have been affected by organ and tissue donation will touch your hearts and inspire you. We are working to tell at least one story from each of Kentucky's 120 counties.

Do you, or someone you know, have a story to tell? We need your help to raise awareness about the Kentucky Organ Donor Registry. Please call the Trust For Life at 1-866-945-5433 or email: info@trustforlife.org. View our inspirational Gift of Life stories on our website at www.trustforlife.org/stories.

Long-Time Friends: Donna Harris (living donor) and Dan Gutenson (recipient) of Lincoln County, KY.

Long-Time Friend Shares *Gift of Life*

Dan Gutenson knew that one day he would need a kidney transplant. His family had a history of polycystic kidney disease, and his mother, uncle and brother were all kidney transplant recipients.

In February, 2009, while undergoing a routine physical, it was discovered that his kidneys were in failure. Two months later, Dan was placed on the national waiting list for a life-saving kidney transplant. Surrounded by a strong support system of family and friends, including the congregation at Watts Chapel Baptist Church where he had pastored for 21 years, Dan prepared himself for the long wait. Many friends and church members readily volunteered to donate, but his long-time friend, Donna Harris, was the best match.

On September 17, 2009, Dan and Donna checked into the UK Transplant Center for the donation and transplantation. Donna's generous gift gave Dan a second chance at life, and in only a few weeks, both were well recovered and back to enjoying normal lives.

"This story is really about Donna Harris and all the heroes who have given the *Gift of Life*," Dan said. Dan urges all Kentuckians to help others in need. Join the Kentucky Organ Donor Registry and share the Gift of Life.

Michael Judd - Kidney & Pancreas Recipient Green County

On December 10, 2005, I was having Christmas dinner with my family. I became ill and wasn't sure what had happened. I was diagnosed with renal failure, caused from a long life of diabetes.

After 8 months of dialysis, I was placed on the transplant waiting list. The first call came after a one year wait. My family and I were nervous, scared, and happy all at the same time. But, to our disappointment, the organs were unable to be transplanted and we returned home heartbroken.

I remained on the waiting list for another four more months, when the second call came. Again, on the way to Louisville, we were all nervous, scared and happy. Three and a half days later, a working kidney and pancreas, a new life, and a new family were given to me.

My donor was just 16 years old when he was taken from his mother. It has been almost three years now, but I still go to see her and visit my young donor's grave. They are "my family". I received the *gift of life*. A transplant has given me a second chance at life: to be a son, husband, brother father, and uncle.

**THE OWEN COUNTY SENIOR CITIZENS
&
THE KY CIRCUIT COURT CLERKS' TRUST FOR LIFE PROGRAM**

invite you to join us for:

**THE 12th ANNUAL CHARLIE SATTERWHITE
MEMORIAL GOLF SHAMBLE**

**WHERE: FAIRWAY GOLF COURSE, WHEATLEY, KY
WHEN: SATURDAY, APRIL 2nd, 2011**

TIME: DOUBLE SHOTGUN START at 8:30 a.m. & 1:30 p.m.

COST: \$65.00 per person

*Entry fee includes: 18 holes of golf, cart, food and
entertainment following the tournament.*

**PICK YOUR OWN 4 PERSON TEAM
A USGA HANDICAP OR AVERAGE SCORE WILL BE REQUIRED.**

**PROCEEDS FROM THIS TOURNAMENT WILL GO TO:
The Owen County Senior Citizens Activity Fund &
The Satterwhite Fund which supports the
Trust for Life Organ Donation Program.**

**PLEASE CONTACT: Mr. Gilbert England
Fairway Golf Course
502-463-2338
golfatfairway@aol.com**

**Mr. Billy O'Banion
Tournament Director
502-484-4481

Congratulations! Underlined counties appear on both Registry & \$1 Donations lists for the month.

* Special Thank You to Jack Kain Ford! Jack Kain Ford paid 50% of difference in \$1 donations for Woodford County.

Magoffin Co. Circuit Clerk Tonya Ward (center) and her staff celebrate their accomplishment with a Pizza Party. "We all take turns. Every member of my staff works driver's license, and we simply ask the questions every time, to every customer," say Ward.

Thank you and Congratulations!

Two counties, in particular, were recognized this month for their extraordinary support of the KY Circuit Court Clerks' Trust For Life in 2010.

Tonya Ward and her **Magoffin Co. Staff** earned the **#1** position for the highest percentage of **\$1 donations in 2010**. Over **89%** of Magoffin County residents gave \$1 to promote organ donation in 2010!

Paula Joslin and her **Clark Co. Staff** were **#1 in organ donor registries** for the past two years straight! "I think if you believe in the program, it comes across that way. I look people in the eye and ask the questions every time. I love my job," explains Diana Royse, Deputy Clerk in Clark County.

This commendation is as much about the generosity and compassion of the local residents as it is for Circuit Court Clerks that serve them. Our sincere appreciation to all Circuit Court Clerks' offices for their efforts in saving lives in 2010.
