

### “Kentucky’s 120 Gift of Life Stories”

The KY Circuit Court Clerks’ Trust For Life has created a state-wide project to bring awareness to the great need for organ donation and the miracles of transplantation, and **we need your help!**

*Kentucky’s 120 Gift of Life Stories* is a collection of personal testimonials from Kentuckians whose lives have been affected by organ and tissue donation. We are seeking participants willing to share their stories including: transplant recipients, donor family members, people on the transplant waiting list, living donors, etc. Our goal is to identify at least one participant from each of Kentucky’s 120 counties.

These inspirational stories can be viewed on our website [www.trustforlife.org/stories](http://www.trustforlife.org/stories), may be made into posters to be displayed at local Circuit Court Clerks’ licensing offices (see below), and may be sent to local newspapers for human interest stories.

It is our hope that sharing these personal stories will help to humanize and localize the issue of organ donation and inspire Kentuckians to learn more about the issue and to indicate their willingness to save lives by joining the KY Organ Donor Registry the next time they renew their driver’s license or visit [www.donatelifeky.org](http://www.donatelifeky.org). Please contact our office with any questions: 1-866-945-5433 (toll-free) or email [info@trustforlife.org](mailto:info@trustforlife.org).

A Message from  
Your Circuit Court Clerk

## I'm Alive...

because someone like  
**YOU** joined the Kentucky  
Organ Donor Registry!

**Katie** was born happy and healthy in Kentucky. At 3 months old, Katie's parents noticed that the whites of her eyes were turning yellow. Their doctor said Katie would not survive without a liver transplant.

She's alive because someone said yes to organ donation. Now, Katie is an 11 year old honor student who plays basketball and goes camping.

Every person has an opportunity to **DONATE \$1.00** to promote organ & tissue donation.

**Please join the Donor Registry  
and help save a life!**

For more information on Katie and others touched by donation, go to
